What are you looking to get out of this session?

- Responses
- Better knowledge of agile process
 - Gauging current devops practices.
 - Improve Agile knowledge
 - What others in the DevOps community are doing.
 - To get a better understanding of CAMPS to help my team.
 - More information
 - Anything new
 - Ideas. Curiosities. I would love to have something I need to dwell on over the next several days/weeks that encourages me to perform research with the goal of a lunch & learn with my own development and analyst team.
 - Future planning
 - To learn more about how to improve our agile process in my team.
 - We use TFS for DevOps. I am looking to broaden my knowledge.
 - Learn how to get started using DevOps
 - Intro to Agile and DevOps
 - Silo breakdown stuff
